

3rd Electronic Conference for the Faculty of Pharmacy Graduate Program

UFF/2021

We are announcing the
**3rd Electronic Conference for the Faculty of Pharmacy Graduate
Program / III Conferência Eletrônica da Pós-graduação
da Faculdade de Farmácia da UFF**

which will be held next October-November.

This is an online event with the following interesting features:

- Participation is free of charge;
- The presentations shall be in extended abstract format;
- There will be a selection of the best presentations from each section;
- The authors of the selected presentations will be invited to present their work in a videoconference.

We kindly invite graduate students/researchers to contribute with works to one of the following sections:

- Development of Health Products
- Monitoring of Health Products
- Biology Applied to Health Products
- Pharmaceutical Services
